THE RULES IN BRIEF

- The four players on the field are blind.
- The goalkeeper is sighted, but his/her range of movement is limited.
- The ball is equipped with a sound-making device.
- The field is surrounded by kickboards.
- Players must say the word “voy” when they are going for the ball.
- Spectators must remain silent during the game.
- Only the goalkeeper, the guide located behind the goal and the coach may communicate with the players.

ACTIVITIES OF THE CLUB

- Organization of one-off events as well as multi-day blind football summer camps
- Collaboration with youth program of SK Slavia Praha and Zbrojovka Brno football clubs (seminars across all age groups)
- Supporting the development of youth football at Elementary School for Disabled in Brno
- Collaboration with Czech national football five-a-side team U21 and mutual propagation
- Cooperation in holding athletic games for visually impaired students from across the Czech Republic
- Participation in seminars for The Faculty of Sports Studies
- Development of the methodology for beginning coaches of blind football
- Regular participation and workshop at Rehaprotex event in BVV Trade Fairs Brno
- Training camps and friendly matches in Bučovice with the best South American players from Brazil, Argentina and Colombia
- Training activities moved to a new football field with our own kick-boards

BUČOVICE BLIND FOOTBALL CUP

- The 1st international blind football tournament in the Czech Republic organized by our club since 2013
- Regular participation of teams attending World Championships and Paralympic games
- Running commentary of the matches for blind spectators
- Up-to-date results and statistics available online
- Online streaming of all the matches
- Top referees with experience from European and world championships
